

Fionn of Rudy

EPK

Fond of Rudy are an indie-pop 4 piece band. The songs are developed from a heartfelt core, washed with stylistic references from 80s icons and revived to a state of modernity through contemporary production.

Left to right: Si (drums), Otto (bass), Matt (vocals), Ross (guitar)

PRESS

EARMILK

"The four-piece sounds like summer in a bottle."

CLASH

"Outrageously catchy pop songs, things that linger in the imagination and burrow ever-more-deeply."

**POPPED
MUSIC**

"Layering angelic backing vocals on top of the crisp indie melody provides an insight into the band's blend of genres."

I  INDIE

"Summery jangly pop, catchy beats and lustrous guitar sounds."

Wonderland.

"Sunshine-drenched indie"

"The new single 'Imagination' is sure to become a favourite on playlists all over the world."

IAI

"Emotive indie pop number."

BORN MUSIC

"With undeniably catchy hooks, 80s stylism and crisp production, you've got a recipe for great music"

Dansende Beren

"The contrast between the dark synths and sunny guitars, provide an intense experience of pure indie pop."

IMPOSE

"Sugary sweet instrumentals, cascading into a rich guitar riff with percussion to complement"
